Application for Use of State-owned Aquatic Lands

Applicant Name: Seattle Parks Foundation
County: King
Water Body: Lake Union
Type of Authorization: Cooperative Agreement
Use: Shoreline Restoration
Authorization Number: SH-016
Term: August 2009 – June 2011

Description: DNR plans to partner with the Seattle Parks Foundation to restore 10,000 square feet of waterfront property that includes 200 feet of shoreline within Waterway 18 of Lake Union. Waterway 18 is located at 2199 N. Northlake Way. The DNR Restoration Program will provide funding towards the on the ground restoration efforts. DNR will sign the Cooperative Agreement that will help with the removal of concrete debris and shoreline armoring, placement of large logs, “fish mix” pebbles, and native vegetation. This restoration project will create shallow water habitat for migrating salmon.
